## NOMAD-TRYST Art Event

## ★ UPDATES

Del Amo sponsored the annual NOMAD-TRYST Art Event with The City of Torrance. Artists from the US and Europe displayed their artwork over the 3-day event which the Mayor kicked off at the VIP celebratory opening. TRYST is a new alternative art fair for artist-run spaces and collectives, featuring painting, sculpture, photography, video art, installations and more, from over (60) international artists making it the largest event of its kind. The event ran alongside the return of NOMAD II, the second edition of Torrance Art Museum's innovative contemporary art pop-up featuring over 160 Southern California based artists. Together these events hosted artworks by over 500 artists from around the world. Del Amo was honored to offer this venue for this amazing event in support of the Torrance Art Museum as well as providing an opportunity for artists to display their individual artistic expression. Approximately 5,000 visitors enjoyed the art works over the 3-day event.
